

Tai Tuivasa's Net Worth?

His net worth is estimated to be about \$2 million, mostly from his successful career in combat sports. In his last fight against Alexander Volkov at UFC 293, he earned a base salary of \$860,000.

Career Highlights

Tai Tuivasa began his MMA journey in Australia in 2012. He won his heavyweight debut by TKO against Simon Osborne. His next three fights, against Aaron Nieborak, Erik Nosa, and John Hopoate, also ended in TKO victories.

Major Sources Of Income

Tai Tuivasa's earnings from Pay-Per-View (PPV) fights depend on how many people buy the PPV for his bouts. Fighters usually get a part of the money made from PPV sales. While the exact numbers aren't usually public, big PPV events can make fighters a lot of money.
